

Call for Applications: Research Scholarships in Germany 2026

The *Eberswalde University for Sustainable Development* (HNEE) is offering funded research stays in Germany for researchers from Ukraine and Moldova as part of the DAAD-funded project *Convivial Futures*.

We are looking for: doctoral candidates, postdocs, experienced researchers and professors whose work touches on conservation governance, social-ecological resilience, land use, or community-based approaches to crisis and recovery.

What's on offer:

- 1–3 months research stay in Germany
- Monthly residence scholarship (1,300–2,300 € depending on career stage)
- Mobility allowance (350 €)
